

The Pikes Peak Koi & Water Garden Society 37th Annual Pond Tour

Aug 1, 2026 and Aug 2, 2026

Starting both days at 09:00 AM until 04:00 PM

The Pikes Peak Koi & Water Garden Society hosts a pond tour each summer. This tour features PPKWGS members' water gardens and yards.

The tour is open to the public at no cost.

Maps with directions and descriptions of each pond are available by downloading and printing your own map packet. Journey to the neighborhood, follow the tour signs, and stroll into the backyard for a first-hand encounter. Feel free to visit with the pond owners and ask as many questions as you want.

Map packages can be printed from the <https://ppkwgs.org/> website.

The Club's mission is to cultivate a friendly and welcoming environment dedicated to the promotion, development, and expansion of water gardening, and the care, admiration, exhibition, and responsible ownership of Koi. We aim to disseminate knowledge on these subjects by engaging in educational and supportive activities while fostering a sense of community.
